

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1091 - HB 1228

March 23, 2015

SUMMARY OF BILL: Requires municipalities over 40,000 people to conduct a study of their existing water supplies every five years to evaluate water quality and the potential for water shortages, and to identify alternative water sources, as well as by ordinance or resolution, adopt a contingency plans to develop emergency backup systems for the continued operation of electric and water related systems.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- This bill is not relevant to state operations.
- Based on information from the Tennessee Association of Utility Districts (TAUD), emergency plans should already be in place in municipalities with over 40,000 residents; therefore, the fiscal impact of this bill is not significant on local government operations.

IMPACT TO COMMERCE:

NOT SIGNIFICANT

Assumption:

- Emergency readiness plans should already be in place; therefore, the impact to commerce as a result of this bill is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
